In the big elm, in a large crevice, just fifteen paces from the front door lived a chipmunk. Not an ordinary chipmunk, but one whose name was Chauncey. One day when the wind was cold, Chauncey decided to move to the school.....

Dedication

Gertrude Pfouts
Dean of Girls

We, the student body of Alliance High School, dedicate this 1953 Chronicle to our understanding deans, Mrs. Gertrude Pfouts and Mr. Guy Hoover.

To Mrs. Pfouts we wish to show our appreciation for the work she has done for us and the help she has extended to us during our high school careers. In 1931, when the school first recognized the need for a dean of girls, Mrs. Pfouts was chosen for her understanding of young people. Since that time, she has proved her capability over and over again. While taking charge of delinquency and tardiness, she often serves as a counselor to those in need of help and advice.

In addition to the invaluable service she is continually rendering in her present capacity as dean, she has also served the school and community in many other ways. During the depression she first became associated with the National Youth Association to find employment for students. She is still affiliated with this organization. She is one of the trustees of Scholarship Foundation, is on the Music Study Club scholarship committee, and works on the board for the Community Concert Series. She was patroness of the January, 1948, and June, 1951 graduating classes, and is an active worker in the First Methodist Church.

Mr. Guy Hoover came to Alliance after fourteen years of faithful service to the community of North Jackson, Ohio. In 1936, his first year of teaching in Alliance, he became the student co-ordinator for the high school. In addition to serving as dean of boys since 1940, he has taught Latin American history, ethics, economic geography, and civics.

As any of us who have ever had him in class can testify, his extensive travels have provided him with a wealth of stories and souvenirs. Central and South America, the Holy Land, and England are only a few of the places still quite vivid in Mr. Hoover's memory.

Some people have a "green thumb" when it comes to growing a garden. Mr. Hoover seems to have the same touch when it comes to building character. His scouting work has given him innumerable opportunities to help and guide young men. During the last war, correspondence with service men gave many of them a picture of life back home. While serving so capably as dean, his advice has been a guiding light to many male members of the school population.

Through the dedication of this Chronicle, we hope to show a small token of our appreciation for a job well done.

Harvey was originally presented on tour under the name **"The White Rabbit."** Shortly after the war, housewife, Mary Chase saw a definite need for source laughter in this country. She experimented for some time around her home before she finally wrote **"The White Rabbit."** Following a very successful tour, the play was presented on the New York stage retitled **"Harvey."** It run was phenomenal. It reached its height when it was made into a motion picture starring Jimmy Stewart.

"Harvey" is the story of a man who was struggling with reality but finally gave up. Elwood P. Davis was perfectly normal except for the fact that his best friend was a six foot tall white rabbit. No one except himself ever sees this rabbit. His sister Veta is in such a frenzy that when Elwood is taken to Dr. Chumley's asylum for treatments, she is the one who ic committed instead of Elwood. The doctors realizing their error, made a determined effort to bring him back. Elwood, however, gives himself up on the condition that they all go out and have one last fling. After a few too many drinks, Dr. Chumley sees Harvey and wants him for himself. He receives Veta's permission to give Elwood an injection of Formula 977 which will make Elwood forget all about Harvey. A cab driver who is waiting for the fare to be paid, convinces Veta that Elwood is much better off lovable and happy than he would be crabby and irritable.

Although this is her first year of teaching, Miss Joyce Williams has already proved her value in speech activities. She successfully directed the speech play **"Ah Wilderness,"** and assisted in the direction of **"It's Cold in Them Thar Hills."** She also assisted Miss Sackett in the dialogue direction of the operetta. If her work so far is any indication, Miss Williams' help will undoubtedly be invaluable in future years.

The Athletics

Football

Seated: Mel Knowlton, Ron Peeling.
Standing: Dave Mainwaring, Gaylord Lillick, Julius Tonges.

Behind the athletes, who draw the attention of screaming fans with their action on the gridiron, are the coaches who map out plays, figure new strategy, and suffer through every ball game on the sidelines.

This year the Aviators were fortunate to have a very capable staff of coaches with Athletic Director, Mr. M. C. Knowlton also doubling as the head grid mentor. Knowlton, a graduate of Miami (Ohio) University, served as a coach in the Massillon system, head coach at Steubenville, and three years as a lieutenant in the Navy before coming here.

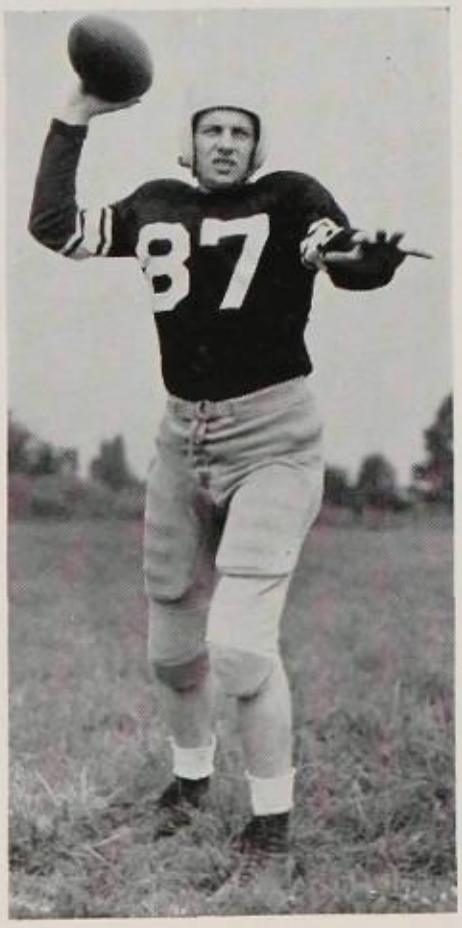
Since his arrival in 1945, Coach Knowlton's gridders have won 45 games while losing 27 and tying one. Knowlton also coached basketball from 1948 to 1950. Respected by fans, officials and coaches, Knowlton has the enviable reputation of turning out the scrappiest yet cleanest playing teams in the state.

Handling the backfield coaching chores is Dave Mainwaring, also head basketball coach. A former Alliance High School athlete, Mainwaring is a graduate of Mount Union College. He is no newcomer to the grid sport, having led the Broadway Junior High gridders to several city championships.

Julius Tonges, better known as "Juice," is the man who worked with the linemen. Tonges was All-Ohio while playing with Massillon High and repeated on the All-Ohio college team when at Baldwin-Wallace. Since coming here in 1947, Tonges has also handled the golf team, and just this year, the track squad.

In charge of the reserve team is Ron Peeling, a graduate of Mount Union College, Peeling coached at several high schools and served for four years in the Coast Guard before coming here in 1946. He has coached the freshman gridders and is now acting as the reserve basketball and varsity baseball coach.

Serving as the assistant reserve coach, Gaylord Lillick is combining coaching along with attending Kent State University, where he is working for a degree in physical education. A former Aviator grid star, Lillick graduated in 1950. This year marked his first attempt at coaching.



Long after other athletes are forgotten and their feats only a fading memory, the name of Leonard Dawson will be remembered as, perhaps, the greatest all-around athlete in Alliance High School history.

When Dawson entered the high school as a sophomore in 1950, he had already picked up a reputation as a good athlete by his performance on the Broadway Junior High athletic teams. But, he was forced to ride the bench because the Aviators had another terrific quarterback by the name of John Borton. He started the basketball season on the reserve squad but soon worked his way up until, at the end of the campaign, he was a regular starter.

As a junior, Dawson drew rave notices with his pin-point passing on the gridiron, his marvelous team play on the court, and his fielding and hitting on the baseball diamond. For his football exploits, he was named to several All-County and All-Ohio teams.

It was in his senior year, though, that Dawson really displayed his athletic ability. Acting as the offensive captain, Dawson threw 19 touchdown passes and master-minded everything from the quarterback position. For this he was selected on all the All-Ohio first teams and was picked by the United Press, and the International News Service as "the player of the year." In addition, he was voted as "Stark County's Most Valuable Player" by Stark County coaches.

Basketball season brought new honors to the six-foot athlete. He first set a new school regular season scoring record by tallying 344 points. Then he was selected on the Associated Press All-Ohio first team, the first Aviator to be so honored, as well as other All-Ohio teams.

Not content with athletic perfection, Dawson has served as the president of his junior and senior classes besides being a member of Student Council.

1952 was a highly successful season for the Aviator gridders. It saw the men of Coach Mel Knowlton win seven and lose four against some of the toughest competition in the state and finish 11th in the final A. P. statewide ratings. It was also the year of great individual performances resulting in the selection of Leonard Dawson, Ray Alton, Roger Olds, and Homer Young to All-Ohio teams.

Opening the season September 12 in Hartshorn Stadium, the Aviators displayed a powerful air and ground offensive in defeating the Akron Central Wildcats 32-6. Five plays after the opening kickoff, Burwell Baddeley skirted end for 12 yards to give the Aviators a lead they never relinquished. A Leonard Dawson to Ray Alton aerial, and a two-yard quarterback sneak by Dawson accounted for two more touchdowns and a 19-0 halftime lead. A Dawson to Bill Burger pass was good for a score, after which the Wildcats managed to drive for a score to avert a shutout. Tom Davis provided the sparkling play of the game when he scooted 84 yards down the sidelines for the Aviators' last touchdown.

The following week, the Aviators chalked up victory number two, as they outclassed Toledo Waite 28-0. Late in the first quarter, an 87-yard Aviator drive was climaxed when Homer Young barged 31 yards through the line for a tally. Dawson hit Tom Davis in the second period to give Alliance a 14-0 halftime lead. Davis ran 33 yards, and Baddeley for five to score the last touchdown. It was a great team victory with the line play especially hard and savage.

On September 26, the Aviators traveled to Mansfield where they were finally edged out by a fighting Tyger eleven 27-26. Dawson threw two scoring passes in the first half, one to Roger Olds, who drew his first starting assignment, and the other to Ray Alton. But Mansfield's one-man gang Eddie Mack scored 14 points to give the Tygers the halftime edge. The Aviators grabbed a 26-14 third quarter lead when Dawson threw a scoring heave to Homer Young and Young drove across once. But Eddie Mack came roaring back for two quick tallies and Mansfield led 27-26. With seconds to go Dawson connected with Roger Olds on the Tyger two-yard line but a penalty was called against the Aviators and time ran out before another play could be run.

Spotting the Black Tigers from Cuyahoga Falls an early 7-0 lead, the Aviators wound up on the top side of a 21-7 score. Davis and Young caught touchdown passes from Dawson and Young swept 18 yards for the other. Alliance completely dominated play outgaining Cuyahoga Falls 266-114 yards.

October 10 was the traditional game with Massillon and the Aviators fought hard before dropping a 27-21 decision. The Aviators drew first blood when Leonard Dawson hit Roger Olds in the end zone, but the Tigers came growling back to put two scores across and assume a 14-7 halftime lead. Massillon opened the second half in crowd-pleasing fashion when John Francisco took the kickoff and went 104 yards to score. Once again the Dawson-Olds combination clicked, cutting Massillon's lead to 20-14. Looking like a Frank Merriwell movie, Massillon took the kickoff and this time went 75

passes from Dawson to Olds and Orlando Giovanatto. The Bulldogs scored on a lengthy drive to pull within seven points, but the Aviators were in possession of the ball at the end of the game. Leonard Dawson's passing and ball-handling were exceptional as he twice completely outfaked the entire Bulldog eleven, going back to pass.

Canton Lincoln entered the confines of Hartshorn Stadium only to come out on the short end of a 21-7 score. From the beginning it was the Aviators all the way. Dawson twice hit Roger Olds with scoring passes and Young drove across to account for the Aviators' points. The Lions didn't crash into the end zone until the fourth quarter and then it was too late.

November 7 was the last home game of the season and also Dads' Night, and the Aviators didn't let the dads down as they subdued a scrappy Steubenville Central team 21-7. The Dawson-Olds combination came through with a tally three plays after the opening kickoff to give the Aviators the lead. Tom Davis slashed across for the second score and the Aviators led at halftime 14-0. At the beginning of the final period Alliance stopped the

yards to score. Not demoralized by the tough luck, Dawson sneaked across from the one to end a 57-yard drive and the Tigers lead was cut to 27-21. The Aviators did not have enough time to score any more, but 11,000 fans left Hartshorn Stadium muttering about what almost was.

The next week the Aviators went down along the Ohio River to meet the East Liverpool Potters, who handed Alliance its worst defeat of the season 34-14. It wasn't until the fourth quarter and after the Potters had rolled up a 28-0 lead that the Aviators were able to penetrate into paydirt. Dawson passes to Young and Bill Burger accounted for the two Aviator touchdowns. The pass to Young covered 69 yards and was the only bright spot in the Aviator performance all night.

The following week, the Aviators did a complete about-face and defeated Canton McKinley 20-13, to gain their first victory over the Bulldogs in John Fawcett Stadium in history. Recovering an Aviator fumble early in the first period, McKinley drove 66 yards for the initial score and it wasn't until a minute before the half that the Aviators were able to counter. Dawson's pass to Young tied the count at 7-7. Neither team was able to cross the goal in the third quarter, but the Aviators put two quick ones over early in the final frame on

Crusaders on the Aviator one-yard line, and launched a 99-yard drive climaxed when Young bulled over from the Central one. Coach Mel Knowlton then cleaned the bench and the Crusaders scored their only tally.

Meeting the Barberton Magics at Barberton, the Aviators finally won 33-27 in perhaps, the most exciting game of the year. Burly Homer Young turned in one of the finest performances in Aviator gridiron history by scoring four times and picking up a total of 206 yards. Barberton jumped to a quick lead as the result of a 71-yard march but the Aviators came roaring back and Young went over from the eight. Living up to their nickname, the the Magics reached into their bag of tricks and again went across to assume a 14-7 lead at the half. Young smashed across for two touchdowns in the first four minutes of the second half as the Aviators went ahead for the first time 20-14. After Barberton had bounced back to knot the score 20-20, Mr. Young again tallied to give the Aviators a 27-20 lead. With less than three minutes to go, a long desperation pass play covered 75 yards and was good for seven points and Barberton again deadlocked the score. Fans were leaving but the Aviators were not through. In a minute and 26 seconds they covered 73 yards and scored the winning tally on Dawson's pass to Olds.

The season ended on a dismal note when the Warren Black Panthers threw a wrench into the Aviators offensive on a muddy field to win 14-7. Thomas Barnett scored his only touchdown of the year and the Aviators only one of the game when he slipped into paydirt late in the first quarter. In the second period the Black Panthers scored on a short thrust and added the insurance tally in the final period on another short thrust. The miry muck prevented the Aviators' powerful air attack from operating in high gear, which no doubt influenced the outcome of the game.

Thirteen seniors received letters for their outstanding play. These were Ray Alton, Bill Beckett, Bill Burger, Tom Davis, Leonard Dawson, Nick Deack, Jim Galehouse, Ron Feller, Roger Olds, Al Stanish, John Stranges, Homer Young, and Vince Zavarelli.

For the first time in Aviator gridiron history, the Aviators fielded a Junior Varsity squad. The J. V.'s played a seven-game schedule and emerged victorious in six. Organized to give sophomores a chance to get playing experience instead of riding the varsity bench, the Junior Varsity was coached by assistant varsity coach Ron Peeling.

The J. V.'s had little trouble in winning their first three games as they rolled over the Atwater Varsity 34-7, and the Salem Reserves twice, 34-6 and 39-7. Traveling to Sebring, the J. V.'s suffered their only defeat of the season at the hands of a heavier Sebring Trojans Varsity outfit 12-7. Leading 7-0 going into the final quarter, the J. V.s' were unable to stem the Trojans ground attack and Sebring tallied twice late in the period to gain the decision. Not discouraged by the defeat, the Junior Varsity downed a strong Niles Reserve team 20-12, and twice shut out the Warren Reserves by scores of 13-0 and 12-0 to finish up the season.

Coach Ron Peeling's squad relied mainly upon the ground for their offensive punch with Rujay Jones, Joel Plummer, and John Polinori supplying the necessary ball-toting. Jones, a freshman at B. F. Stanton Junior High, crossed the enemy goal 12 times to account for 72 points and picked up a total of 815 yards on the ground. Plummer picked up 344 yards and Polinori 213 yards although each managed to tally three touchdowns. Besides the brilliant ground game, the J. V.'s presented a strong aerial attack late in the season when Bill Offenbecker moved down from the varsity to gain playing experience. Offenbecker is being groomed to fill the quarterback slot for the Aviators next year.

In addition to the backfield men, several linemen showed pretty well for themselves. Among these were Jim Hairston and Bob Baughman, who played both the tackle and guard spots, and Carl Dietz, who held down the important center position. All three boys are big and should be a great boost in bolstering the varsity Aviator line next year.

It is hoped that the addition of a junior varsity squad will be a great help in developing material for future varsity action and if the 1952 reserve team is any indication of the things to come, the junior varsity system will be a great success.

Finishing with a regular season record of 15 wins and only two losses, the Aviators compiled the best record since the 1931-32 squad won 15 straight. Furthermore, the Aviators ranked sixth, in the final A. P. state poll, the first time an Alliance team has been so honored in basketball.

When Coach Dave Mainwaring opened the season with only two lettermen, Leonard Dawson and Ray Alton, on the squad, many people predicted a lean season. In the opening game on Friday, December 12, the Aviators measured the Louisville Leopards 74-41. This game also marked the dedication of the new Ralph S. Coppock Gymnasium.

East Liverpool's Potters came to town, but were edged out by a scrappy Aviator quintet, 45-43. By defeating the Potters, the Aviators avenged a 70-49 drubbing in the 1951-52 season and also served notice that they would be a team to reckon with.

But traveling to meet the Canton Timken Trojans, the Aviators were soundly defeated 61-36 in a game where they could do nothing right and Canton Timken could do nothing wrong. The Aviators were charged with 36 personal fouls also.

The Aviators bounced back into the win column by tripping an excellent Mansfield five on the Mansfield court, 73-68. Leonard Dawson and Ray Alton both scored more than 20 points, getting 24 and 20 respectively.

The Alumni and Barberton were next in line as the Aviators returned to their home court. Although paced by a host of ex-Aviator stars, the Alumni didn't have enough to halt the Aviators as they bowed 62-44. Barberton failed to live up to their nickname when they couldn't find the right "magic" a s they went down to defeat 52-45.

Next on the menu, were the Canton South Wildcats as the Aviators won 79-65, followed by Youngstown South, 72-61, and Youngstown Chaney 69-56.

Arch-rival Canton McKinley attempted to halt the Aviator powerhouse when they came here Friday, January 16. But when the smoke had cleared away, the Bulldogs had been added to the list of victims by the score of 61-52. The Lions of Canton Lincoln followed the Bulldogs in defeat as they dropped a 60-50 game to the Aviators.

Friday, January 30, the Aviators, winners in 11 of 12 games, traveled to Massillon to play the Tigers, winners of 12 of 13 games. The game was all that the records indicated it would be. The Aviators trailed 29-23 at halftime but rallied to tie the score at 39-39 at the end of the third quarter. However, in the final period, the Tigers grabbed a few quick baskets and went on to hand the Aviators a 58-51 setback.

Angered by the Massillon defeat, the Aviators rolled up the score as they trounced Warren, 74-47, and Wellsville, 75-53. Leonard Dawson showed the way against Wellsville by scoring 32 points.

Canton McKinley played host to the Aviators and in a closely fought game, the Aviators once again defeated the Bulldogs, this time by the narrow margin of 62-59. Rolling in high gear, the Aviators completely outclassed the Youngstown Rayen quintet, as they won with ease, 51-28.

The Massillon Tigers came here Saturday, February 21, sporting a record of 16 wins and one loss. Meanwhile, the Aviators had won 14 while dropping two. Massillon grabbed a quick 12-10 first quarter lead which dwindled to 32-30 at halftime. In the second half, it was Alliance all the way, as they rushed ahead to go in front 52-40 at the end of the third period and then coasted home. Leonard Dawson scored 28 points and Jerry Baier 20 points to pace the offensive.

By virtue of their 15 won and two loss season, the Aviators were seeded second in the Northeastern Ohio District Tournament held at Canton. Playing Louisville in their opening game, the Aviators had little trouble as they romped over the Leopards, 69-47. Jerry Baier ripped 24 points through the net in leading the high-powered attack.

Following in the scoring parade was 5' 6" Jerry Baier who tallied 209 points during the regular season and 75 in tournament play for a total of 284 points. Ray Alton's 175 and 28 points for a total of 203, Charles Jack's 111 and 22 points for a total of 133, Dewey Syme's 91 and 19 points for 110 and Bill Eoff's 76 and 18 points for 94 were the other high scoring outputs.

Tuesday, March 17, the Aviators were honored by the Adult Booster Club with a banquet at the Raven Restaurant. Varsity Coach Dave Mainwaring, Reserve Coach Ron Peeling, and Athletic Director Mel C. Knowlton were the main speakers. Special guests of honor were Mr. Ralph Coppock, for whom the new gym was named, and Mr. Harry Vogeli, whose scoring mark was shattered by Dawson.

In addition to the free meal, letters were awarded. Ray Alton, Jerry Baier, Leonard Dawson, Bill Eoff, Charles Jack, Bill Meeker, Roger Olds, and Dewey Syme received varsity letters, while Orlando Giovanatto and Bob Stewart received reserve-varsity letters. Of the 10 members of the varsity squad only three are juniors, Dewey Syme, Orlando Giovanatto, and Bob Stewart. The other seven are seniors. Thus it means a great job of rebuilding in developing next year's varsity.

Those who were awarded reserve letters were Dick Boring, Jerry Fullmer, Jerry Hawkins, Frank Kracher, Bill Offenbecker, Charles Partin, Gary Ritchey, Bruce Summers, Jim Thomas, and Joe Tucker. All sophomores, this group will be the ones counted upon to come through for the varsity next year. The reserves finished the season with a record of eight wins and five losses. Although not too impressive at a glance, it is impressive when you realize the fact that several of the reserves' opponents used the second team varsity as the reserve team.

match for the Aviators and the Aviators were victorious, 80-69. Little Jerry Baier provided the high spot of the entire tournament as he tallied 38 points, one point short of an all-time Canton Tournament record.

But once again, Canton Timken played the role of the villain, winning 43-40 to eliminate the Aviators from tournament play. Alliance trailed the whole first half, but went in front 35-34 at the end of the third period. However, Timken regained the lead and then slowed the ball down to win.

Playing Massillon in the consolation game, the Aviators were unable to start clicking, as the Tigers took an early lead and maintained it to finally win 56-42.

Captain Leonard Dawson scored 344 points during the regular season to set a new all-time school regular season scoring record. The previous high was set way back in the 1917-19 season when Harry Vogeli garnered 298 points. Including his 62 points scored in tournament action, Dawson scored a total of 406 points. Dawson also gained the distinction of being the first Aviator basketball player to make an All-Ohio first team. He was selected on the Associated Press, International News Service, First and Ten first teams, and the United Press second team.

Coach Dave Mainwaring talks to Leonard Dawson.

Coach Dave Mainwaring since taking over as Head Basketball Coach in 1951 has compiled a record of 30 wins against only 12 defeats. Dave has a habit of winning, while at Broadway Junior High, his squads won several championships in basketball, as well as in football.

In the past two campaigns Dave has taken his teams to the semi-finals of the district tournament only to come up with a bad evening and be "knocked out." Mainwaring's teams have favored the fast-break style of play with plenty of shooting and scoring. A zone defense has been used primarily to suit the personnel as well as giving the fast-break a quicker start.

After looking at Dave's athletic career in high school we can see where he developed some of his coaching practices. He played football, basketball, baseball, and wrestling, earning letters in all of them. Dave graduated from Alliance High and went to work as a pattern maker. He came back to A. H. S. to teach woodworking. While teaching he attended Mount Union College and received his degree in 1951. We would like to say congratulations to Coach Mainwaring for a fine season and wish him many more just as successful.

Spring Sports

Experiencing a "hot" and "cold" season, the Aviator baseball nine finally wound up the 1952 season with a record of five wins and three losses. Using a squad of mostly juniors, there was only one senior, Coach Ron Peeling did a remarkable job of fielding a strong team.

In the season's opener, the Canton McKinley Bulldogs edged the Aviators 5-4. Paul Conway went the route and only gave up five hits, but spotty fielding support lost the game.

Traveling to Massillon, the Aviators won their first game of the season by tripping the Tigers 7-5. Gene Rininger only pitched the first three innings before being relieved but was credited with the victory.

Warren's Black Panthers were too powerful as they defeated the Aviators 4-2 in an Ohio Scholastic Conference spring Tournament game. Gene Rininger went all the way and pitched good ball except in the second inning when two straight Warren batters hit homeruns to provide the difference. The loss knocked the Aviators out of the tournament.

Burwell Baddeley pitched Alliance back into the win column May 5 with fine twrling in the Aviators' 9-3 win over Canton South. Paul Conway was the winning pitcher as the Aviators downed a stubborn Minerva nine 6-4, the following day. Roger Olds hit a homerun to spark a five-run rally in the fourth inning.

Canton Timken fell before the Aviators 5-4 as Gene Rininger racked up his second victory. Timken scored all its runs in the sixth when Rininger's control momentarily failed, but they were unable to close the gap.

Gaining revenge for the earlier loss, Canton McKinley squeezed by the Aviators 7-6 in a return game. Baddeley pitched the whole game, scattering the seven hits he gave up, as poor fielding once again proved the downfall.

The final game of the season was also the best as Gene Rininger achieved the goal of all pitchers by throwing a no-hitter against the Canton Lincoln Lions, and the Aviators had little trouble winning 6-0. Rininger was in command all the way issuing only a walk. The closest the Lions came to getting a hit was in the final inning when their second baseman drove a liner down the third base line that Dick Good was unable to hold. However, the scorers decided that it was an error, and Rininger's no-hitter stood.

Rininger finished the season as the best pitcher with three wins and one loss. He pitched 28 innings and struck out 29 while walking seven. Tom Davis had eight hits in 18 trips for a .444 batting average to lead the batters. Len Dawson was next in line with 10 hits in 25 trips for a .400 average. Dawson had the best fieldin gaverage by committing only one error in 37 chances for a .973 average.

Girls' Sports

This year is the 25th anniversary of the organization and institution of G. A. C., the club for girls interested in sports. In the spring of 1928, Miss Imogene Atcheson, an English teacher in the high school, established the club with about 70 girls in membership. Since the birth of the club, hiking, bicycling, archery, bowling, badminton, canoeing, basketball, volleyball, and soccer are just a few of the thrilling activities maintained by the present director, Miss Lucile Pettis.

The education received in such a club has given many girls an interest in continuing further education in athletics. Several members of the club are now in college acquiring knowledge in this field and preparing to be directors and coaches of Physical Education for girls.

Every organization has a goal for which the members strive; so it is with G. A. C. A point system consisting of 1,150 points in athletic activities entitles a girl to receive in the second semester of the junior or senior year a G. A. C. "A."

Before granting the letter, spirit, service, and grade are considered by the Committee of Awards. Points can be earned in almost any physical sport, but soccer, volleyball, basketball, badminton, bowling, and softball are the most common point winners. These sports are taught and played after school.

After school at Hazel Park, the teams of G. A. C.'ers play volleyball, soccer, and badminton until cold weather sets in. From that time on recreation is carried on after school at the Methodist Gymnasium.

During this year Miss Pettis was successful in obtaining two inter-scholastic volleyball meets with Minerva High School, both of which the Alliance Pilots won.

The officers for the club this year are "Pat" Gambs, president; Imogene Simmons, vice-president; Beverly Garrison, secretary, and Vera Boyce, treasurer.
